**Q. How many Flexben Points will I get? For how long will the Flexben Points be valid?**

You will receive 30,000 Flexben Points at the beginning of the year which will be valid for a period of one year **starting 1st January till 31st December.**

Flexben point allocation for **new hires** will be prorated based on the number of months left in the calendar year from the joining date.

**Q. Will the number of Flexben Points vary based on career level?**

No. All employees, irrespective of career level, will receive 30,000 Flexben points at the beginning of the calendar year.

**Q. What is the monetary value of each Flexben Point?**

1 Flexben point = 1 INR

**Q. Can unused Flexben points be carried forward to the next year?**

Flexben Points **cannot be** carried forward to the following year. It will lapse at the end of the calendar year.

**Q. Am I still eligible for Life Event based Flexben points?**

Yes. Below are the Flexben points, for the respective life events: **(these points cannot be used for insurance premium payment)**

- **Birthday** – 2,000 Flexben points will be added to the Optional Benefits section.
- **Wedding & Childbirth –** 5,000 Flexben points will be added to the Optional Benefits section.

Also, employees may note that they will have six-month window from the date of the life event to use these Flexben Points. Unused Flexben Points from any life event are valid for six-months only.

**Q. Are these Life Event based Flexben points over and above the 30,000 Flexben points allocated on 1st January 2024?**

**Yes**.

**Q. Can the remaining Flexben points be used on a single theme of Optional Benefits, such as Health & Wellness?**

Yes. Flexben points can be used towards any of the themes on your individual requirements.

**Q. Are the 30,000 Flexben points over and above Total Target Cash (TTC)?**

Yes, 30,000 Flexben points are over and above TTC.

**Q. Can I use the entire 30,000 Flexben Points for buying non-insurance benefits and then buy additional insurance covers through salary contributions?**

No, the core of our FlexBen 2.0 is to provide you and your family with adequate insurance coverage and hence we strongly encourage you to opt for a higher insurance coverage plan.

Flexben points will be first allocated towards Core benefits (medical insurance) during the

enrollment window. The remaining points will be automatically allocated to Optional benefits at the end of enrollment window. Claims for optional benefits can be made throughout the year.

**Q. What will happen if the cost of insurance Plan selection exceeds 30,000 Flexben points?**

If the cost of Insurance Plan selection exceeds 30,000 Flexben points, the excess will be funded through a one-time salary contribution/deduction in March payroll. For new hires, this will take place in the first payrollcycle following the month of enrollment.

**Q. Will the deductions be made from gross salary or net salary?**

All deductions will be made on net salary.

**Q. Can I buy additional Flexben points with salary contributions?**

No, additional Flexben points cannot be purchased.
In case, after exhausting 30,000 Flexben points towards Core benefits.

- Salary contribution can be used to buy insurance benefits like medical insurance, life, or accident insurance.
- Optional non-insurance benefits can be purchased directly from the vendor of your choice. The optional catalogue has non-insurance benefits and discounts (wherever applicable) are available on theBenefits Asia portal.

**Q. I am already contributing INR 250 per month towards 'Care for Life' fund from my monthlypayroll, why do I have additional option to donate Flexben points to 'Care for Life' fund?**

This is over and above the monthly contribution of INR 250 to 'Care for Life' fund. Flexben points donation to 'Care for Life' fund is only possible from the allotted birthday points and therefore these donations are capped at 2,000.

Donations are voluntary & once made cannot be refunded. If you DO NOT donate points towards Care for Life Fund within the three-day allotment window, the 2000 Flexben points will be automatically allocated towards 'Health and Wellness, Diversity and Inclusion, Personal Development and Lifestyle' benefits and will be valid for 6 months.

**Q. Will there be any tax benefit applicable on the 30,000 Flexben points?**

There will be no tax exemption benefit applicable on the 30,000 Flexben points since these are funded by SAP. However,

- If the cost of Insurance benefits selection exceeds 30,000 Flexben points, the excess will be funded through salary contribution and this expense (borne by employee) will be eligible for IncomeTax deductions u/s 80D, as per prevailing rules.
- If the Flexben points are used to buy non-insurance optional benefits, this will be subject to perquisite taxas per the applicable slab rate, since this is additional income for employees over and above TTC.

**Q. How is Flexben different from the currently available Flexible Compensation Plan?**

Flexben is independent of the Flexible Compensation Plan. Flexible Compensation Plan provides you different options like HRA, LTA, Medical reimbursement etc. to structure your salary and minimize taxes. The options available to you under the Flexible Compensation Plan will continue to remain as is without any changes.

**Q. What happens to my Flexben points if I leave SAP?**

In the event of exit from SAP (not applicable to inter entity transfers within India) the entitlement of Flexben points will be prorated and subject to recovery based on the following conditions:

- Flexben points utilized towards Insurance Benefits will not be recovered.
- Flexben points utilized towards Optional Benefits, beyond the prorated entitlement will be recovered.
- All unused Flexben points will lapse on the exit date.

**Q. What is a Medical Insurance e-card?**

It is an identification card, which will entitle you to avail cashless hospitalization and any other negotiated benefits at the network hospitals of TPA on pre-authorization. Please remember that the e-card is not a credit card. The card does not entitle you to credit towards outpatient treatment. To avoid any misuse of your card, the hospitals may ask you to furnish some identification card (like Voter ID, Aadhar, etc.).

**Q. How do I get a Medical Insurance e-card?**

Employees to login into Mediassist portal and click on e-card tab under Policy tile to print e-card directly for self anddependents enrolled in the program. You may also contact TPA Relationship Manager for any assistance that you may require.

**Q. What are network hospitals?**

These are hospitals where TPA (Third Party Administrator) & Insurer has a tie-up for the cashless hospitalization. For more details and hospital list visit TPA Website.
Link - portal.mediassist.in

**Q. What is cashless hospitalization?**

The cashless hospitalization is the benefit given to the insured, where you need not pay the expenses incurred due to hospitalization, and TPA will pay the bill to the hospital directly after deducting the non- medical/non-payable expenses. For the list of hospitals in the network, you can visit TPA website.

**Q. What should I do when I reach the network hospital?**

- Please show your e-card for identification or provide your employer's name and employee number along with your government-approved photo ID proof.
- The pre-authorization form is also available at the Hospital TPA Desk and needs to be sent to the TPA on the same day of admission through the hospital authorities.
- Upon receipt of duly completed pre-authorization form, TPA will send a letter of authorization to the hospital to make sure that they extend the cashless benefit.
- You may be required to pay security deposit with the hospital. All non-medical/non-payable expenses and non-admissible expenses will be deducted from the security deposit by the hospital.

If the cashless request is denied, you can submit all relevant documents, reports, admission & discharge card, and bills for possible reimbursement. You can submit the claim along with claim form and all the necessary supporting documents to the TPA.

**Q. Is pre-authorization necessary?**

Yes, it will help you in the following ways:

- You will be able to avail cashless facility for hospitalization.
- You will be informed in advance regarding the coverage for your treatment so that your claim does not get rejected at a later stage and you do not end up paying out of pocket.
- It will help you ensure that the treatment cost is appropriate and not inflated.
- This will also help in planning your hospitalization expenditure such that you do not run out of the cover that you are entitled to.

**Q. What is the procedure for availing cashless facility?**

In case of planned hospitalization, insurers require the first prescription with the details of the case history indicating the below:

- Provisional diagnosis or reason for getting admitted in hospital.
- Proposed date of admission

- Approximate expenses
- Name of the hospital and consultants
- Approximate duration of stay at the hospital
- Attached doctor's prescription with admission note

The above documents along with pre-authorization form need to be delivered to the TPA at least 48hours before admission.
In case of emergency hospitalization, member will get admitted to the network hospital and avail the treatment. Pre-authorization form need to be faxed /emailed by the hospital to the TPA as soon as possible (within 24 hours) and get cashless approval.

**Q. If I avail the cashless facility, will the insurance company pay the entire bill at the hospital?**

No, a part of the bill will need to be borne by the insured. This will consist of the non-admissible amounts that are listed by the insurer and non-medical/non-payable expenses, co-payment in parental claims and other deductions as per the policy terms. For a hassle-free process, we strongly recommend employees to avail cashless facility wherever possible.

**Q. What are claim reimbursements?**

In case you are hospitalized in a non-network hospital or where cashless hospitalization is not availed,

- You can pay the claim amount to the hospital post verifying the bills/charges and then claim through reimbursement.
- You need to submit all the original bills along with the claim form to TPA and the hospitalization expenses will be reimbursed to you.
- Please fill the claim form and submit the same along with claim documents to TPA or handover the same to TPA Helpdesk.

**Q. How can I claim my pre & post-hospitalization expenses?**

The policy covers pre-hospitalization expenses incurred prior to 30-days of hospitalization and incurred towards the same illness/ disease due to which hospitalization happens. It also covers all medical expenses for up to 60-days post discharge as advised by the Medical Practitioner. All the bills with summary along with a filled in claim form stating PRE-POST to be sent to TPA for reimbursement.

**Q. What is this GIPSA Tariff Offer?**

The Treatment Package Discount: For certain surgical procedures, Insurers have arranged with the hospitals and based on this, TPA will be processing cashless claims. In case cashless employees avail reimbursement instead of cashless, TPA will be processing claims based on the agreed package.
**Example**

| Service type | Normal Delivery | Caesarean Delivery | Hysterectomy | Room category |
|---|---|---|---|---|
| GIPSA Tariff | INR 59,000 | INR 70,000 | INR 65,000 | Single room |
| Cash/Walk-in Tariff | INR 80,000 | INR 90,000 | INR 115,000 | Single room |
